PM90 Pot Magnets

HIGH QUALITY RARE-EARTH MAGNETS

Service Warehouse

Part # PM-1420

Description: Pot magnet with 1/4"-20 x 1/2" female threads

Breakaway Strength: 90 lbs.

Box QTY: 10 PCS

Master Carton QTY: 10 x 10 PCS

Concentrated magnetic force

Doc's PM90 pot magnets have a concentrated magnetic force compared to standard magnets due to the steel frame that encapsulates the rare-earth elements. The steel frame causes a deviation of the magnetic poles concentrating the force of attraction to a single side.

WARNING:

This product can expose you to chemicals including Nickel & Cobalt, which are known to the State of California to cause cancer.
