TY-DUCT FEATURES * Constructed of flame-retardant PVC. * Lead-free construction. * Versatile North American and DIN Standard mounting holes enables same duct for multiple applications * V-Shaped slot lead-in enables easier and faster wire insertion. * Rounded edges keep hands and wires free of abrasion. * Dual score lines are designed to yield clean break-offs at the base of the slot and the duct. * Restricted slot design makes sure that wires are held with or without the cover inserted. NOTE: Cover Lids sold separately.

PANEL CHANNEL - NARROW SLOT

Ty-Duct Panel Channel – Narrow Slot (6' Length)

NARROW SLOT- Smaller, tighter number of fingers for more concise harnessing. Finger design restricts wire from slipping along the edge, creates 2 or 3 levels of wire service.

Equipped with a base score line and has an improved flush sidewall and cover style.

Also available in **WHITE & BLACK**, and **INTRINSIC BLUE**. replace “**G**” in part number with **W, B, or I**

- W** = **WHITE**
- B** = **EBONY**
- I** = **INTRINIC BLUE**
